Our festival marks its 7th edition this year and will take place from July 23rd to August 1st 2010.

SKIP CITY INTERNATIONAL D-Cinema FESTIVAL offers various programs such as the International Feature Length Competition, Domestic Short Length Competition, special showcases for children, the latest films from young talented directors, 3D screenings and more.

Our festival is the first international competitive Digital Film Festival created to encourage and contribute to the development of Digital Cinema and to cultivate filmmakers. SKIP CITY INTERNATIONAL D-Cinema FESTIVAL boasts 4K digital projection equipment to present selected films at the highest quality at the festival's state of the art screening facilities.

Last year, we had 1004 submissions from 77 countries and regions, showcasing 15 feature titles from around the globe in the competition section. As selected by our international jury members, winning films receive SONY D-Cinema Awards presented by our main sponsor, SONY Japan. (Total cash prize was USD \$100,000 in 2009. Details for the 2010 edition will be announced shortly.)

The full festival line-up will be unveiled in mid-June in Tokyo. Members of the press will be informed of line-up press conference details soon.
